

Port of Oslo

# RO-RO TERMINALS

# ALL SHAPES AND SIZES

The Ro-Ro traffic in Oslo are operated by combi ferry/passenger ferries and ordinary Ro-Ro vessels.

## Cars

A substantial number of new vehicles are imported through the port each year. In 2008 more than 43 000 new cars from Volkswagen and Ford among others arrived at the port.

## Ro-Ro ramps

5 fixed

2 floating

New Ro-Ro-traffic is welcome.
